FOR INDIVIDUALS ELIGIBLE TO ENROLL IN MEDICARE AFTER JAN. 1, 2020

BEFORE COMPLETING THIS APPLICATION, PLEASE READ THE FOLLOWING INSTRUCTIONS:

- This application is a legal document. If you are approved for coverage, it will become part of your contract. Therefore, it is very important that you provide **all** requested information and that it is accurate and legible.
- Some people have guaranteed rights into some Medicare supplement plans. If this applies to you, you are **not** required to complete the health questions (Sections 12, 13, or 14) or the Authorization to Disclose Protected Health Information (next page). If you do not have these guaranteed rights, please make sure you complete the health questions and the Authorization form.
- This application must be completed in dark blue or black ink. **No pencil please.**
- If you make a mistake, please mark through the incorrect information, initial it and then provide the correct information.
- **Do not use liquid paper, correction tape or "white out" to correct any mistakes you make on this application.**
- Any attached sheets must be signed and dated.
- Please ensure that you sign and date the application.
- Please do **not** send money with this application.
- **We strongly encourage you to make a photocopy of this completed application for your records.**

POLICY EFFECTIVE DATES:

The policy will become effective on the 1st of the month. Once your application is approved, we will attempt to contact you to find out what effective date you would like. Rules for effective dates are:

- You **cannot** have an effective date prior to your Medicare Part A and Part B effective dates.
- You **cannot** have an effective date prior to your termination from a Medicare Advantage plan.
- You **cannot** have an effective date prior to your application submit date.

WHAT IS OPEN ENROLLMENT?

State and federal laws guarantee that for a period of six months from the date you are both enrolled in Medicare Part B and are age 65 or older, you have a right to buy the Medicare supplement policy of your choice, regardless of any health problems you may have. Your open enrollment period begins with the first day of your birth month and continues for six months. If your birthday falls on the first day of the month, your Medicare coverage will begin the first day of the previous month, while you are age 64. Your open enrollment period will also begin at that time.

AUTHORIZATION TO DISCLOSE PROTECTED HEALTH INFORMATION

As a condition of coverage and of my enrollment in the policy, I authorize any medical professional, medical care institution, pharmacy related service organization, pharmacy benefits manager, or other provider of health care services or supplies, as well as any individual, company or prior insurance carrier possessing relevant medical, health, treatment or payment information, to provide Arkansas Blue Cross and Blue Shield and its affiliates or agents information concerning services, supplies, benefits or payments provided or denied to me or to any family member listed in my application, including but not limited to any and all protected health information related to treatments where a restriction was requested for any health care item or service in relation to the health care provider having been paid in full out-of-pocket. I understand that information obtained as a result of this authorization will be used for the purpose of determining eligibility for coverage. This information may also be used by Arkansas Blue Cross and Blue Shield in investigating and adjudicating claims for benefits. I understand that in the course of its business operations, Arkansas Blue Cross and Blue Shield may disclose this information to others as required or permitted by law and as set out in the Arkansas Blue Cross and Blue Shield Notice of Privacy Practices.

I understand that information re-disclosed may no longer be protected by federal privacy regulations. This authorization does not provide for the disclosure of psychotherapy notes as defined in 45 CFR §164.501. I understand that I may terminate this authorization by sending a written revocation to Arkansas Blue Cross and Blue Shield, 601 Gaines, Little Rock, AR 72201. However, if I revoke this authorization before I am enrolled in the policy(ies), my application for coverage will be denied. Unless I revoke this authorization, it shall be valid for 30 months from the date of my signature for information collected in connection with review of this application; it is valid for the duration of the coverage for information collected in connection with investigation of claims. Both the federal government and the State of Arkansas have enacted electronic signature laws, which allow the use of electronic signatures in all areas of commerce. See the Electronic Signatures in Global and National Commerce Act 15 USC §§ 7001 *et seq.*, the Arkansas Electronic Records and Signatures Act A.C.A. §§25-31-101 *et seq.* and the Uniform Electronic Transaction Act, A.C.A. §§25-31-101 *et seq.* Electronic signatures are specifically authorized in the business of insurance. See 15 USC §§ 7001(i).

This authorization includes authorization to release information on the diagnosis and treatment of mental illness, alcohol, and drug use, as well as authorization to release information on the diagnosis, treatment, and testing results related to HIV-AIDS, and sexually transmitted diseases, unless otherwise restricted by applicable law.

Please note the following consequences if you decline to sign this authorization for release of your medical information, or if you later revoke it: in that event, we may be unable to process your application or evaluate a claim for coverage and would then deny your application or your claim for policy benefits.

This authorization must be signed by the proposed insured.

SEND NO MONEY WITH THIS APPLICATION. YOU WILL BE BILLED.

1. You do not need more than one Medicare supplement policy.
2. If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need multiple coverages.
3. You may be eligible for benefits under Medicaid and may not need a Medicare supplement policy.

4. If, after purchasing this policy you become eligible for Medicaid, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare supplement policy (or if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing Medicaid eligibility. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of suspension.
5. If you are eligible for, and have enrolled in a Medicare supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing your employer or union-based group health plan. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
6. Counseling services may be available in your state to provide advice concerning your purchase of Medicare supplement insurance and concerning medical assistance through the state Medicaid program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB).
